Toned & Re-balanced

4 Moisturize
Soft & Radiant

5 Renew & Protect
Youthful & Resilient

nutriance

Your Age-Defying Solution

The Nutriance Synergy Cycle represents the ultimate age-defying skin care system: Each product builds on the performance of the previous step, preparing skin for the next. With Nutriance, you'll triumph over time and the aging effects of your environment. Find out just how youthful your skin can look, act, and feel — with Nutriance.

Turn back the hands of time!

Nutriance helps you reclaim youth every single day! Intensive, time-defying factors, delivered through the exclusive Nutriance Synergy Cycle, can slow — and even reverse — the effects of time on your skin. Exclusive Swiss laboratories, guided by GNLD's Scientific Advisory Board, combined selected botanicals, exclusive ACR technology, and Green Tea, Echinacea and Vitamins A, C and E for antioxidant and immune-boosting power.

Nutriance is scientifically proven to be:

- **Youth renewing.** Nutriance reverses signs of aging by erasing fine lines and wrinkles, replenishing lost moisture, and enhancing cellular renewal. Skin looks, acts, and feels more youthful!
- **Skin protecting.** Nutriance delivers broad-spectrum LVA/LVB protection to shield skin from solar damage while delivering potent antioxidants, for healthier, younger-looking skin!

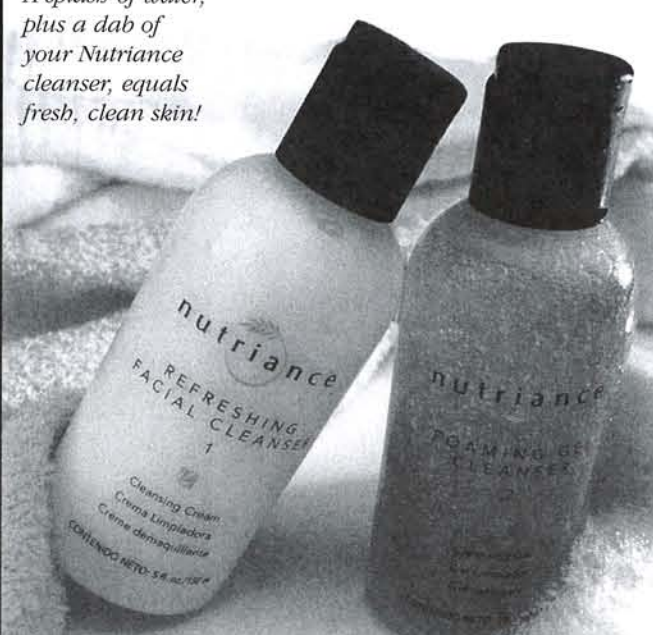

- **Age defying.** Nutriance protects collagen and elastin structure to defend against "photo-aging," and creates a youthful moisture-lipid balance. Aging is delayed with every use!

Rediscover the healthy, resilient, glowing skin of your youth, and keep it looking younger, longer, with Nutriance — Your Age-Defying Solution!

gentle cleansers

Step 1 Cleanse

A splash of water, plus a dab of your Nutriance cleanser, equals fresh, clean skin!

Refreshing Facial Cleanser
Sweeps away moisture-stealing impurities

Mild, moisture-rich cleansing liquid gently sweeps away makeup and dulling debris. This creamy formula bursts with selected botanicals to help normalize lipid production to promote youthful moisture retention. Green Tea and Echinacea support antioxidant and immune power. Leaves skin moist, fresh and silky smooth.

Normal to Dry
#3900 – 5 oz.

Foaming Gel Cleanser
Gently dissolves excess oil and surface impurities

Infused with selected herbal botanicals, this lightweight, oil-free gel washes away surface impurities and helps restore an ideal lipid-to-moisture balance. Green Tea and Echinacea support antioxidant and immune power. Mild foam makes this Gel ideal for shaving. Skin feels touchable — soft, smooth and firm.

Combination to Oily
#3910 – 5 oz.
