

# PUERTO VALLARTA

mexico

Come with us to the ultimate destination!

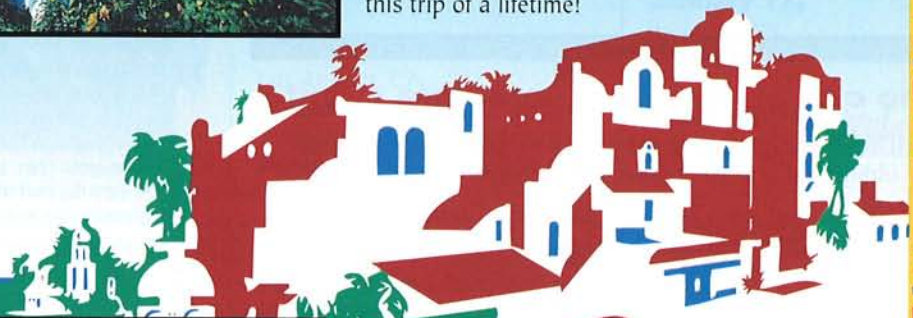

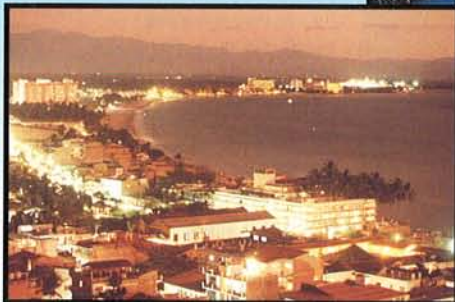

Fly With The Eagles  
July 9-15, 1995

Imagine walking barefoot along a private stretch of white-sand beach while warm, gentle surf washes over your toes. In Puerto Vallarta, more than a dozen of the most beautiful beaches in the world await you. Escape with us to this tropical village retreat and feel a new kind of tranquility.

The loveliness of the village alone will captivate you: charming, cobblestone streets showcase houses with red tile roofs; blooming bouganvillea vines spill across balconies and climb on milk-white walls that gleam in the sun and glow by moonlight. Take a pleasant stroll downtown, where artisans display pottery, art and jewelry for your shopping pleasure, or explore an exotic jungle decorated with breathtaking flora and colorful, wild birds.

When you Fly With The Eagles this July, you'll be swept away to a new world of adventure, romance and luxury! It's the kind of event Diamite's top achievers used to dream about and can now actually experience! Will YOU be one of them? Read on to learn how you can qualify for this trip of a lifetime!

*A visiting artist once said,  
"God created heaven for his angels and kept Puerto Vallarta for Himself."*
